Elin, thanks for the feedback. I've incorporated all the changes.

Angela, attached is the draft product proposal for the AtIEn research. We're still working out the details for how to organize the sub-products. Any comments on both would be greatly appreciated.

Thanks,
Amanda

Hi Tony,

I'm submitting a proposal for StRAP 4 related to the AltEn ethanol plant into CSS.402.6 (Build confidence in the use of new approach methods for exposure assessment through applications)- Seth's Output.
